The photographs, videos and audio recordings will be used for Society activities, at its events and in promotional material, in both print and electronic format, including on the Internet via the Society's website or social media websites ("Purpose").

The photographs, videos and audio recordings produced may contain your recognizable image, which is considered personal information. The Society is authorized to collect personal information of its member under the Society's Act of British Columbia, and in compliance with the Personal Information Protection Act of British Columbia.

This purpose of this form is a) to notify you that your personal information is being collected and b) to obtain your permission for the Student Society or the users of its online searchable image bank to use photographs, videos or audio recordings that contain your recognizable image or voice, along with your name, in material promoting the Student Society, whether in print, in electronic format or on the Internet.
