COMMITTEE INVOLVEMENT

Events Committee -

Battle for the Border - Organized a bus trip to attend SFU's football game in Bothell, Washington versus Central Washington. We filled up a bus of students and everyone seemed to enjoy themselves. I look forward to future events committees pursuing these types of activities in the future.

Terry Fox BBQ Fund-raiser - This BBQ was a part of the festivities of the Kickoff Concert. The BBQ was used to bring in additional students to the sponsorship village while also raising money for a worthy cause. The event was a success in both regards and fundraised over \$500 for the Terry Fox Foundation.

Preparing plan for Comedy event - As tasked by events committee I have been currently working on a Comedy for a Cause event February 25th. The event will allow all Clubs and DSUs to raise funds for causes they are passionate about.

Accessibility Committee

-Concert Accessibility - This year we held an Accessibility Workshop with SFPIRG to discuss accessibility concerns for the fall 2014 Kickoff. Attendees spoke highly of the workshop and several of the ideas were implemented for the show.

- MH First Aid - This fall we held a Mental Health First Aid workshop. The workshop received over 70 applicants for the 24 available spots. Due to the overwhelming demand I was certified as a Mental Health First Aid Instructor and will be able to instruct the course myself in the future after completing the probationary period of 3 workshops. I look forward to holding at a minimum 1 workshop in each semester for the next several years.

- Nap Room / Massages / Puppy Therapy - This semester we were very active in holding wellness events. Events were held at all 3 campuses. All events were well received.

- Accessibility Concerns (Ancillary Services and FBS) - A student brought forward an issue with Ancillary Services ATMS speech function not being enabled. The issue was brought forward and is presently being addressed pending further information. Another issue was brought forward regarding sensitivity training

for FBS staff. The suggestion was well received and will be considered and hopefully implemented in the future.

WORKING GROUPS / PROJECT

Fall Kickoff Concert - I was the sponsorship officer for the Fall 2014 Kickoff Concert. The team led by Zied did a wonderful job. Further details about my role in sponsorship and suggestions going forward may be found in my Sponsorship Debrief.
