Professor Andrew Petter
President and Vice-Chancellor
Simon Fraser University
8888 University Dr
Burnaby BC V5A 1S6

Dear Professor Petter:

I am pleased to inform you that the Ministry of Advanced Education, Skills and Training (the Ministry) will provide Simon Fraser University with a one-time contribution of \$40,000 to establish or enhance a mental health peer support program on your campus. These funds will be forwarded to your institution with the next available electronic funds transfer.

The funding is for a program where students support each other as peers to address mental health and wellbeing and is to be spent prior to March 31, 2020. If such a program already exists at your institution, this funding is meant to enhance existing programming. If no such program exists, this funding is meant to establish a new program. Institutions are expected to work with their student society or student union, if one exists, to deliver these programs. These funds may only be used to support the programs listed above.

As a condition of this funding, Simon Fraser University is required to submit a report to the Ministry by May 31, 2020, including a description of the peer support program offered, the impact of the funding, and an estimate of how many students have accessed the service per month.

If you do not anticipate expending all the funds by March 31, 2020, please contact the Ministry by January 31, 2020, to discuss alternatives such as reallocation to alternate priorities or additional time to implement the planned initiatives. If a reallocation or alternative implementation strategy cannot be reached, the Ministry may require repayment of unused funds.

The Ministry respectfully requests that public announcements related to this funding are jointly formalized with the Ministry. In the event that you wish to announce these funds, please have your staff contact Rodney Porter, Communications Director, by phone at (250) 952-6508, to arrange for an opportunity to publicly announce funding for this project.
