### • Updates from the Board:

- o Board is working on space expansion at Surrey Campus and a mental health strategic plan.
- o The Governance Committee is working on by-law reforms.
- O VP Finance is on the Budget Reform Committee.
- There is also a Website Development Committee, which is working on a new website for the SFSS and will be looking for input.
- The SFSS is hiring sponsorship coordinators and is also planning for the Fall Kickoff Concert.
- Councillors can check Board Work Reports on the SFSS website if they want to check what Board has been working on and hold them accountable. The Board is trying to make sure students understand what is going on and what the Board is working on.
- o To get in touch with Board members, you can check the SFSS website for Board member contact information.

## 6. PRESENTATION

<sup>\*</sup>Paul Choptuik arrived at 4:30 PM\*

<sup>\*</sup>Natasha Birdi arrived at 4:30 PM\*

#### 6.1 Council Orientation

- It is important to know the SFSS mission, vision, and values in order to meaningfully participate.
- It is also crucial to understand governance. There are three components to governance: member engagement, strategic planning, and performance review and audit.
  - O Council is a form of member engagement: it is a communication piece between the Board and the members of the SFSS.
- Robert's Rules: shows how to make decisions as a group.
  - Motions as proposed decisions: a proposal that the Board make a decision on behalf of the organization.
  - o Process:
    - Forward a motion "Be it resolved to..."
    - Second a motion
    - Discuss a motion
    - Vote on a motion
  - You are allowed to abstain from voting, but in general, it is recommended that Councillors vote. Conflict of interest can be a reason for abstaining (if you or a family member would materially gain from the outcome of the decision).

## 7. DISCUSSION ITEMS

### 7.1 Fraser International College Fees and Representation

- It is noted that FIC student residents went to RHA for the issue to be raised in Council
- Fraser International College (FIC) is a college on Burnaby Mountain. FIC students living in residence have asked how FIC students can acquire access to the services that the SFSS provides.
- Discussion about what Councillors think of FIC students paying fees to SFSS in exchange for receiving the services and benefits that SFSS members receive.
  - Possibility of inviting a FIC representative to a Council meeting to address this directly.
  - Discussion of the possibility of allowing FIC to have at least some of the benefits, if not all.
  - There is some interest in finding out what hurdles have been faced in the past by those who have advocated for this.
  - Pierre suggests that Council ask Board to provide a report on this to help Council make an informed decision on this topic.

### **MOTION COUNCIL 2017-05-31:03**

### Mohammed/Ningning

Whereas FIC has no representation and do not receive any of the benefits SFSS members do receive.

Be it resolved to request from Board a report to whether the SFSS could start including FIC students as members, if the required fees are collected, and to whether there are already reports or historical plans to start that matter.
