Previous Revisions: September 18, 2015

The Ends, as established in the SFSS Constitution, will be achieved through the following of the SFSS Strategic Plan.

BOARD-MANAGEMENT DELEGATION POLICIES

GLOBAL BOARD-MANAGEMENT DELEGATION STATEMENT

POLICY TYPE: BOARD-MANAGEMENT DELEGATION POLICIES

POLICY TITLE: GLOBAL BOARD-MANAGEMENT DELEGATION STATEMENT

POLICY REFERENCE NUMBER: N/A

Adopted: December 13, 2019

Next Scheduled Revision: May 2021

Previous Revisions: September 18, 2015

The Board's sole official connection to the operational organization, its achievements, and conduct will be through the Executive Director.

BMD-1: UNITY OF CONTROL

POLICY TYPE: BOARD-MANAGEMENT DELEGATION POLICIES

POLICY TITLE: UNITY OF CONTROL

POLICY REFERENCE NUMBER: BMD-1

Adopted: December 13, 2019

Next Scheduled Revision: May 2021

Previous Revisions: September 18, 2015

Only officially passed motions of the Board are binding on the Executive Director.

1. Decisions or instructions of individual Board members, officers, or committees are not binding on the Executive Director.
2. In the case of Board members or committees requesting information or assistance without Board authorization, the Executive Director can refuse such requests that require, in the Executive Director's opinion, a material amount of staff time or funds, or are disruptive.

BMD-2: ACCOUNTABILITY OF THE EXECUTIVE DIRECTOR

POLICY TYPE: BOARD-MANAGEMENT DELEGATION POLICIES

POLICY TITLE: ACCOUNTABILITY OF THE EXECUTIVE DIRECTOR

POLICY REFERENCE NUMBER: BMD-2

Adopted: December 13, 2019

Next Scheduled Revision: May 2021

Previous Revisions: September 18, 2015

The Executive Director is the only link to the operational achievements and conduct at the disposal of the Board. Consequently, all authority and accountability for staff is vested in the Executive Director.

1. The Board will never give instructions to persons who report directly or indirectly to the Executive Director.
2. The Board will not evaluate, either formally or informally, any staff other than the Executive Director.
3. The Board will review the performance of the Executive Director by reviewing the performance of the organization, so that the accomplishment of Ends Policies, and the adherence to the scope of Executive Limitations will be viewed as the successful job performance.
 - a. The Executive Director Office is also expected to achieve those ends and adhere to those limitations while maintaining the highest level of professionalism and client services.
4. Board members may be invited by the Executive Director to be on operational/Executive Director committees, and thereby participating in organizational operations as volunteers under the authority of the Executive Director.

BMD-3: DELEGATION TO THE EXECUTIVE DIRECTOR

POLICY TYPE: BOARD-MANAGEMENT DELEGATION POLICIES

POLICY TITLE: DELEGATION TO THE EXECUTIVE DIRECTOR

POLICY REFERENCE NUMBER: BMD-3

Adopted: December 13, 2019

Next Scheduled Revision: May 2021

Previous Revisions: September 18, 2015

The Board will communicate to the Executive Director its prescribed organizational ends to be achieved by means of **Ends Policies** and the proscribed means or actions by which they may be achieved using **Executive Limitations Policies**.

1. **Ends Policies:** The Board will develop policies instructing the Executive Director to achieve certain results, for certain segments of the membership or stakeholder community, using an amount of resources (financial or otherwise). Ends Policies are developed as increasingly specific ends derived from the most general mission statement. Any topic that is not considered an end is defined here as a mean.
2. **Executive Limitations Policies:** The Board will develop policies that limit the latitude that the Executive Director may exercise in choosing organizational means. These limiting policies will describe those practices, activities, decisions, and circumstances that would be unacceptable to the Board even if they were to be effective. These policies will be developed systematically from the broadest, most general level, to increasingly narrow, specific levels. The Board will never prescribe organizational means to the Executive Director. Therefore, all means are considered pre-approved by the Board unless explicitly prohibited by the Executive Limitations Policies.
3. As long as the Executive Director uses any reasonable interpretation of the Board's End Policies and Executive Limitations Policies, the Executive Director is authorized to establish all further policies, make all decisions, take all actions, establish all practices, and develop all activities. Any such action shall have the full force and authority as if decided by the Board.
4. The Board may change its Ends Policies and Executive Limitations Policies, thereby shifting the boundary between Board and Executive domains of authority and accountability. By doing so, the Board changes the latitude of choice accorded to

the Executive Director. However, so long as any particular policy is in place, the Board and its members will respect and support the choices of the Executive Director.

BMD-4: MONITORING EXECUTIVE DIRECTOR PERFORMANCE

POLICY TYPE: BOARD-MANAGEMENT DELEGATION POLICIES

POLICY TITLE: MONITORING EXECUTIVE PERFORMANCE

POLICY REFERENCE NUMBER: BMD-4

Adopted: December 13, 2019

Next Scheduled Revision: May 2021

Previous Revisions: September 18, 2015

The criteria against which the performance of the Executive Director will be evaluated are the job products as contained in the Ends Policies, and whether those products were delivered in a manner consistent with the Executive Limitations Policies.

1. Monitoring, therefore, is an activity that determines the extent to which Board policies are being met. Any other activity is not considered monitoring. Any information that does not lend itself to this activity is not considered monitoring data.
2. The Board will acquire monitoring information by one or more of the two methods listed here:
 - a. Internal report - in which the Executive Director discloses interpretations and compliance information to the Board
 - b. External report - in which an external, disinterested third party selected by the Board assesses compliance with the Executive Directors reasonable interpretation of Board policies
3. In every case, the Board will judge:
 - a. the reasonableness of the interpretation, and
 - b. whether or not the available data demonstrates compliance with the stated interpretation of Board policy.
4. The standard for compliance shall be any reasonable interpretation provided in the report. The Board, as a whole, is the final judge of reasonableness.
5. All policies that instruct the Executive Director will be monitored at a frequency and by a process chosen by the Board. The Board can monitor organizational compliance to any Board policy at any time by means of any of the three methods listed above. A schedule will be determined at the outset of every Board term.

6. Annually, the President and two Executive Board members shall evaluate the performance of the ED on the basis of monitoring reports in order to provide a recommendation regarding the remuneration of the ED.

GP-9: CONFLICT OF INTEREST GUIDELINES

POLICY TYPE: GOVERNANCE PROCESS POLICIES

POLICY TITLE: CONFLICT OF INTEREST GUIDELINES

POLICY REFERENCE NUMBER: GP-9

Adopted: December 13, 2019

Next Scheduled Revision: May 2021

Previous Revisions: April 15, 2016

This conflict of interest policy is designed to foster confidence in the integrity of Society and its Board of Directors, and to protect the interests of the Society when it is contemplating any decision, most notably, any decision that might benefit the private interest of a director, or their friends, family members, or associates. A parallel conflict of interest policy for staff is provided in the SFSS Operational Policies.

In general, a conflict of interest exists where directors or the Board of Directors use their position to benefit themselves, or their friends, family members, or associates. Directors need not feel themselves to be in conflict for a conflict to be present. It is sufficient that there appear to be a conflict.

DEFINITIONS

1. A conflict of interest exists when a director:
