March 10th 2021,

As the 2021/2022 Executive Committee begins their term, they are looking forward to adding fellow students to the team to help build student power stronger. During the term's inaugural Executive Committee meeting, on May 7th, 2021, Priyanka Dhesa was appointed to the position of Associate Vice President (AVP)* Academic and University Affairs by the Vice President University and Academic Affairs Serena Bains.

Priyanka Dhesa is a first-year Health Sciences student who has been incredibly engaged in the SFU community. She was a member of the University and Academic Affairs Committee during the 2020/2021 Board year. Priyanka is currently a student Senator and is the student representative on the SFU Community Trust. She is also passionate about reducing inequalities and prioritizing marginalized communities. We are excited to welcome Priyanka Dhesa in her new role with the SFSS!

*Associate VPs are responsible for assisting in the duties of their respective office, which may include but are not limited to attending meetings, assisting with projects and proposing and working on their own initiatives as well.
