**6.1 First Year Students Engagement Survey**

**SUBMITTED BY:** Behavioural Neuroscience Councillor “Aarthi Srinivasan”

**ATTACHMENT:**

- The Behavioral Neuroscience Councillor expressed that they were a part of the First Year Engagement Committee last year and they were working on creating and sending out a survey to students to ask them about general questions like - what program they are in, have they ever heard about the SFSS and what kind of resources they would like to get from SFSS, assistance with transition from high school, etc. They were thinking if they can get some response from the students in the form of a survey as when they were a student in their first year they did not even know what SFSS is and what they offer.
