### 10.4 Migrants Students United @SFU Support and Amplification- MOTION COUNCIL 2023-05-24:06

**SUBMITTED BY:** Former VP External and Community Affairs

**ATTACHMENT:** Apr-2023-Motion-Briefing-Note-1.pdf

**Mover / Seconder**

Whereas the MSU chapter at SFU (MSU at SFU) is a joint coalition of TSSU, GSS, and SFSS members who are current and former international students and their allies, under the support of Migrant Students United of Migrant Workers Alliance for Change;

Whereas MSU at SFU has long sought equitable and just policies for migrant students by speaking up about and fighting against the systemic barriers at university, provincial or national level in order to access their rights and gain support;

Whereas MSU at SFU members have worked over 750 hours this year and the group has initiated or actively participated in many campaigns, lobbying, rallies and activities, including International Students Health Fee campaign, Fix PGWP, Status for ALL, PR Campaign, BC Tuition Freeze Now, and continue to fight endlessly for International Students Rights;

Whereas SFSS IP-3 titled "Tuition Affordability" notes that Tuition has become increasingly unaffordable over the past several decades and remains one of the largest barriers for students in receiving a post-secondary education;

Whereas several Migrant and International students must pay a drastically higher tuition in comparison to domestic students while also adhering to two consecutive semesters of a full course load yearly;

Whereas due to the nature of high tuition with the yearly rise of tuition (twice) with a total of a 8% increase in tuition for migrant and international students within the last 2 years, and another rise of 4% of tuition coming soon, many Migrant and International students are experiencing financial pre-clarity;

Whereas financial pre-clarity creates difficulty for students to participate within coalitions, groups, clubs, unions and such to fight for their rights because they must work in their free time to keep up with the ever-increasing cost of living;

Be it resolved that Council state its unequivocal support for MSU at SFU and International students,

Be it further resolved that council support MSU at SFU and direct Council to create a Migrant and International Students Rights Issues Policies,

Be it further resolved to follow up on motion 8.1 from the April 27, 2022 SFSS Council meeting which was carried unanimously and stated that a working group be created of the Councillors and Members, ensuring strong representation of international students, supported by the VP

Equity and Sustainability, to draft and recommend to Council this Migrant and International Students Rights Issues Policy, in consultation with MSU at SFU,

Be it further resolved that SFSS Council provide MSU at SFU with direct access to SFSS room and space booking abilities, a locker at the Students Union Building starting in the Summer 2023 semester.

Be it further resolved that SFSS Council supports and approves the funding of \$20,000 of MSU at SFU as an investment in the well-being and daily-life of the thousands of SFSS international student members and to disburse for campaigns expenses and volunteer stipends for students fighting and advocating on the front lines through Summer 2023, Fall 2023 and spring 2024 (via a disbursement model where the funding is dispersed via TSSU), from a line item determined by the SFSS VP Finance and Services.

#### **10.5 Adding VP Finance to HRP Composition - MOTION COUNCIL 2023-05-24:07**

**SUBMITTED BY:** Former VP Finance and Services

**Mover/Seconder**

Whereas the VP Finance and Services has to adjust the budget based on the employment status of staff;

Whereas the previous VP Finance and Services, current VP Finance and Services and future VP Finance and Services all think there is value to having the VP Finance and Services on HRP;

Be it resolved to amend the following to HR & Personnel Sub-Committee terms of reference under Council Policies SO-3-1 under composition (below 3.1.1):

Composition

1. [Chairperson] President
2. [Vice Chairperson] VP Internal & Organizational Development

- 4 VP Finance and Services
5. 1 Councillor (preferably a non-Executive Councillor)
6. [Non-Voting] Operations Organizer
7. [Non-Voting] Board Organizer

#### **10.6 Financial Support for Precarious Student - MOTION COUNCIL 2023-05-24:08**

**SUBMITTED BY:** Former VP Equity and Sustainability

**Mover / Seconder**

Whereas a member of the SFSS is in significant and urgent need of financial assistance to cover

fees owed to SFU;

Whereas restoring their student status will enable this student to legally work in Canada and support themselves;

Whereas the SFSS is committed to supporting students;

Whereas this situation has shed light on the need for a more formal mechanism for an emergency bursary program, but no such program exists as yet.

Be it resolved that the SFSS Council endorse the decisions of the Women's Centre and Out on Campus Collectives to provide \$7,000.00 in financial support from line items 886 / 24 and 795 / 27 for this student in this case.

**10.7 Increasing Voter Turnout During SFSS Elections through Clarifying Campaigning online and in person during Voting Period rules- MOTION COUNCIL 2023-05-24:09**

**SUBMITTED BY:** Former VP External and Community Affairs

**Mover / Seconder**

Whereas on August 20, 2023 notice was given and an eventual vote for a motion to disallow campaigning online during voting period;

Whereas this motion has caused considerable issues and disallowed campaigns from being able to liaise with their prospective constituents during the most vital time during election period;

Whereas in person campaigning is not suspended during this time but printed campaign paraphernalia is to be taken down before voting period;

Whereas the removal of Printed paraphernalia during voting period was restricted being up for legitimate purposes of past candidates not cleaning up the physical printed mess after they lost on campus;

Whereas those concerns of physical mess would not apply to online platforms;

Whereas these changes to policy of prohibiting online campaigning resulted in a suppression of the vote and lead to massively lower voter turnout than previous year and than turnouts lower than votes prior to COVID years;

Whereas the SFSS needs to encourage high vote elections and turnout especially to get important referenda passed;

Whereas lack of increased engagement via social media has been quoted in the SFSS Elections 2023/24 report by the SFSS Independent Electoral Commission as having been a reason for the low voter turnout;

Be it resolved to amend the policy Elections and Referenda Policies as follows: Replace the additional section that was as added to CP4-15 from being “Approval of Campaigning Materials”, to read as the following:

CP-4 (15) Campaigning literature and campaigning material shall be removed by voting period. Regarding digital campaign materials, removal may entail:

- a. a permanent deletion from social media platforms used for campaigning,
- b. a temporary archival or deactivation, un-listing, or privatization, of platforms,
- c. a temporary unpublishing of websites that are tied to the campaign until the announcement of the elections results.

To being this below instead:

"Be it resolved to add an additional section 15 to C-4, “Approval of Campaigning Materials”, to read as the following:

CP-4 (15) Campaigning literature i.e. printed campaign material and paraphernalia shall be removed by the start of the voting period. This only applies to printed campaign material and not to digital campaign material or in person campaigning.

- a) Regarding digital campaigning during voting period, there is no obligation to remove digital campaign materials, however candidates may do so if they which. If they do not remove online campaign material, the same rules of campaigning apply during the voting period as that applies during campaigning period".
