8.2 DNA Election

SUBMITTED BY: Councilor (Philosophy) “Nicole Kirigin”

- Announcement sent on February 7, saying that February 9 was last day for an Executive position.
- DNA Elections had to be postponed and a new one will be called after constitutional updates are made.
 - An inaccurate constitution, mistaken for passed in March 2021, was uploaded and used on the portal and used for the 2022 election.
 - The March 2021 constitution proposed a change in the structure of the Executive Committee, the nature of the organization, and more.
 - This was not passed and was mistakenly for passed due to graduations, medical leaves, and the nature of being disabled.
- Current Applicants:
 - People who have applied should still be considered and be voted for, instead of having to re-apply.
 - They will be notified regarding the constitution change and invited to re-apply to the new election.
- Possible re-use of the general questions under the legal section, so applicants can choose to re-use their answers.
- Note: the Accessibility Committee has no jurisdiction over SFU DNA

8.3 Plan Institute Collaboration

SUBMITTED BY: Accessibility Coordinator “Brianna Price”

- People reached out from the Plan Institute in for a collaboration to help inform students of a registered disability savings plan, and etc.
- Considerations if DNA should collaborate:
 - Individual people do their own research into them to see if they are someone we want to collaborate with.
 - Have the Plan Institute come in and give a presentation to us on what it is they want to do.
